SATURDAYS (JULY-AUG)

THEORY BASICS INTENSIVE (VIRTUAL)

Who is this for?

- Students aged 7–11 with at least one year of piano experience. 3–6 students per cohort.
- Ideal for students with little to no prior experience in music theory.

What to expect:

- Introduction to **essential basic knowledge** in music theory, covering essential concepts **up to RCM Level 2 and ABRSM Grade 1**
- Goal: to strengthen theory fundamentals over the summer; to match up your theory skills to your playing skills
- This is **not an exam-focused course** but rather one centered on real musical understanding and skill development.
- Engaging and interactive lessons with weekly homework
- Optional next step: Terms-based course will be available starting in September for students who wish to continue their learning.

**Saturdays, weekly from July 18th – Aug 29th,
7–8pm Vancouver Time / 10–11am Asian Time
7 lessons / 7 hours total [Zoom lessons]**

**lesson recordings will be shared with all students after each lesson*

**Fei's students who are enrolled for summer lessons will receive a 10% discount*
